

Agreement concerning the publication in TRAVAUX MATHÉMATIQUES

of the article entitled:

by the author(s):

The Author(s) hereby agree(s) that TRAVAUX MATHÉMATIQUES shall obtain the right of publication in electronic, printed or any other distribution media for the aforementioned article.

The Author(s) agree(s) not to publish the article elsewhere without permission from TRAVAUX MATHÉMATIQUES. This permission will usually be given by TRAVAUX MATHÉMATIQUES under the condition that in each such publication a reference to the original publication in TRAVAUX MATHÉMATIQUES is given, and under the condition that each such publication does not restrict the right of publication of TRAVAUX MATHÉMATIQUES for this article.

Notwithstanding the preceding clauses, TRAVAUX MATHÉMATIQUES expressly authorises the Author(s) to diffuse the work in his/her/their Institutional Repository from the moment of its publication as a Publisher Postprint (version published with the publisher's layout and formatting) provided that in each such publication a reference to the original publication in TRAVAUX MATHÉMATIQUES is given, and under the condition that each such publication does not restrict the right of publication of TRAVAUX MATHÉMATIQUES for this article. To this end, the Author(s) has/have the right to have his/her/their work reproduced in all forms, using all the techniques and platforms necessary to its archiving, distribution and use, with a view to its online diffusion and transmission via the Internet network.

The Author(s) warrant(s) that the article is original, written by the stated author(s), that it has not been published before, contains no unlawful statements, does not infringe the rights of others, and that any necessary permissions to quote from other sources have been obtained by the Author(s).

This agreement is revocable only if both parties give their consent.

If the article was prepared jointly by more than one author, the signatory of the present form warrants that he/she has been authorised by all co-authors to sign this agreement on their behalf, and agrees to inform his/her co-authors of the terms of this agreement.
